Soils Drillers – International Assignments

Cabo Drilling is searching for experienced soils drillers for overseas assignments.

A minimum of seven (7) years of experience in soils and a demonstrated working knowledge of CME drills, drilling tools, soil sampling tooling, and soils testing instruments is required. Well licensing is considered an asset but not mandatory.

Experience operating heavy equipment, mobile carriers and licensing on tandem trucks and trailers is an asset.

Please forward resume in confidence to: jamesg@cabo.ca

Thank you to all those who send in their resumés.

Only those selected for an interview will be contacted.
